## From The President

The Club has been given the opportunity to add an extra Snooker Table, this will enable us to continue to run our successful Annual Snooker Tournament and grow the Saturday Snooker Dashes. In line with our plans of upgrading and growing the Club, this opportunity gives us another chance to help attract extra members and run additional events such as interclub tournaments.

In the coming weeks you will see some small changes to the layout of the Snooker Room.

We have been in discussion with a number of contractors to be able to do this at a low cost. Funds to cover this project come from money raised through the Sports Adjunct 2.

**Nominations for Executives and Committee close 23<sup>rd</sup> May at 6pm**
