Price Increases

\$9.00 Handle \$9.00
\$17.00 Jug \$17.00

\$9.50 \$9.50 \$7.50

Due to recent price increases from the breweries we have made the always difficult decision to make some price increases at the bar.

Regular beer will remain the same for the time being, however our speciality tap beer will see an increase.

These beers have been heavily discounted for the past couple of years, however the Club can no longer sustain those discounted prices.

You will also see a small increase on bottled Cider and Guinness.

These price increases will start 7th September.

faired well with Mondays

Events Adjunct Meeting

Monday - 21 September

5pm at the Club

Join us on Monday to discover how you can be part of creating memorable and enjoyable events for our members! This month, we're focusing on a very special occasion: the 30 Years of Women Celebration. Whether you have a knack for organizing or just a passion for fun, come along and see what the event adjunct is all about. It's a fantastic opportunity to contribute to a meaningful celebration and learn more about the exciting plans we have in store. All are welcome, and we'd love to have your input and enthusiasm as we honor three decades of women's achievements. Don't miss out on the chance to get involved and make a difference in our community!

With warmer weather approaching, enjoy your outdoor patio to the fullest. Gather friends for a BBQ, enjoy lively tunes, and create memorable moments. Remember, our courtesy van is available by prior arrangement to ensure everyone gets home safely. Embrace the season and cherish these times.
